DOHA INTERNATIONAL MUSIC AND MARCHING FESTIVAL (DOHA TATTOO 2026)

OVERVIEW:

- The Doha International Music and Marching Festival (Doha Tattoo 2026) is a world-class event taking place for the second consecutive year, bringing together military precision and musical creativity in a series of spectacular artistic performances.

- The second edition will be larger in scale than its predecessor, featuring an expanded programme and more than 1,000 participants from national and international bands, in a showcase that combines the heritage of military traditions with contemporary performance styles.

- This edition offers an immersive experience through the Festival Village, which will be open daily from 16:00 to 23:00, providing visitors with a variety of entertainment, cultural activities and experiences.

- The programme will feature daily drone displays, alongside fireworks and spectacular visual and choreographed effects, adding to the overall festival experience.
